This letter routes your misdirected Freedom of Information Act request dated December 9, 2008, to certain component agencies of the Department of Agriculture. Your request was received in the USDA FOIA Service Center on December 18, 2008. You requested information on USDA employees. Because there is no single source for the information requested, your request is being referred to the Animal and Plant Health Inspection Service; Departmental Administration; the Food Safety and Inspection Service; the Food and Nutrition Service; the Farm Service Agency; the Forest Service; the Natural Resources Conservation Service; the program agencies within Research, Education, and Economics; the program agencies within Rural Development; and the Office of the Inspector General. Each will respond to you directly, and each will address the issue of fees with you.

Contact information for each of these components can be found at http://www.usda.gov/da/foia_agency_pocs.htm. If you have questions regarding the status of your request, contact each component.

Sincerely,

A handwritten signature in cursive script that reads "Rita Morgan".
